## **US 40 east of Pocahontas in Bond County is now Open**

**Pocahontas** –The Illinois Department of Transportation today announced that US Route 40, which has been closed at a location 1.7 miles east of Pocahontas, has been reopened to vehicular traffic. The closure was necessary to replace the existing structure crossing the West Fork of Shoal Creek.

Minor work is still ongoing in the area, so motorists are advised to use caution while driving through and near the work zone.

The General Contractor on this project is Keller Construction Company of Glen Carbon, IL.
